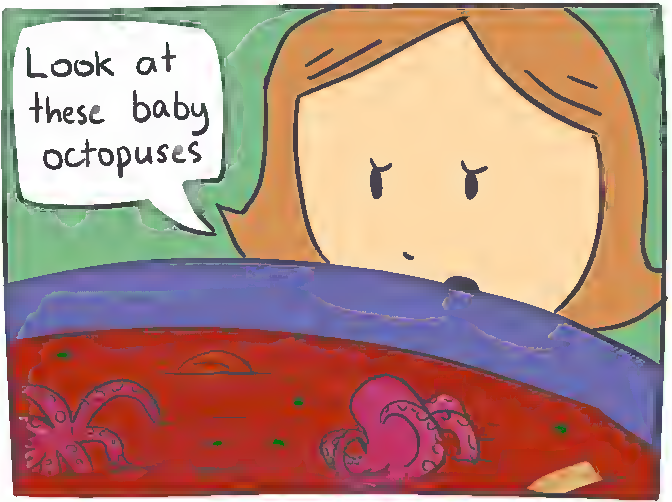
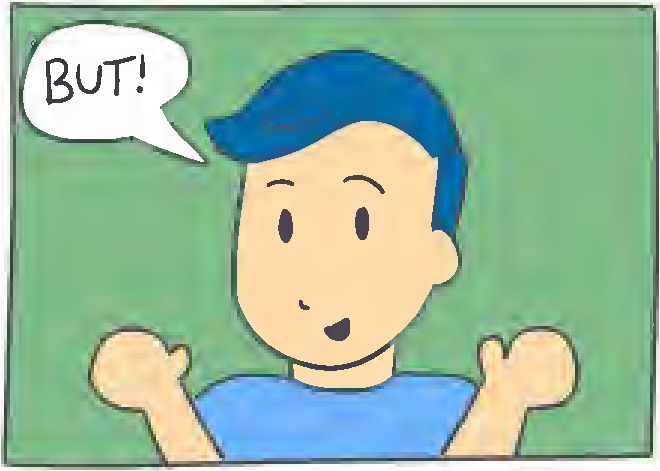
They won't spare us because we have been eating them...



Look at these baby octopuses



BUT!

You don't like the taste?
Why don't you eat them?

Octopuses are commonly eaten in Korea
But I don't eat them

One day giant octopuses are going to enslave all humans. It will be revenge...

But when that happens I will be like:
I didn't eat your babies I swear!

No the taste is fine-
You don't want to know-

You know what is more likely to happen?
I didn't –

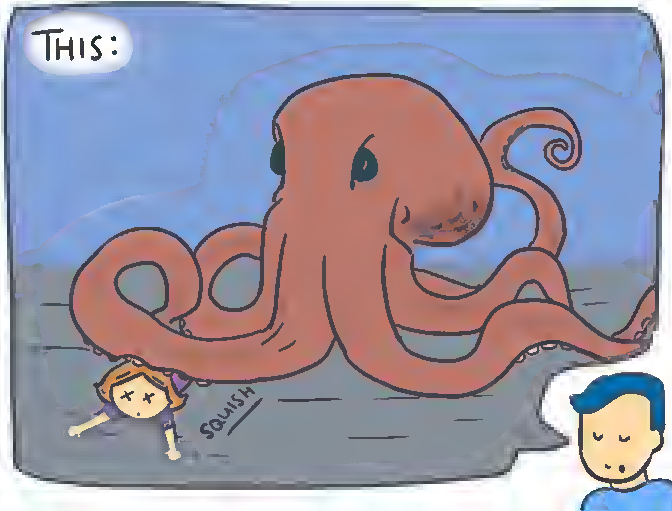
NICHOLALALA

So I'm going to eat as many as I can before that happens!



THIS:
SQUISH

And then I won't be killed by our octopus overlords

They will take over everything
